

For Larger Parties

Yōkoso means “welcome” in Japanese – and that is exactly how we want you to feel. We are two Japanese restaurants sharing the same menu, at Aker Brygge and in Østbanehallen. Izakaya, sushi and Japanese grill come together in elegant surroundings, with cocktails, sake and an atmosphere that makes it easy to stay a little longer.

Taste of Yōkoso is a delicious introduction to our kitchen: six dishes, from crispy chicken popcorn and flambéed halibut nigiri to beef tenderloin with spicy sauce – before we round off with chocolate mousse, passion fruit and coconut sorbet.

**Taste of Yōkoso is perfect for lunch or brunch.
For dinner, we always recommend Yōkoso Experience.**

12+ guests: 7 working days before arrival (Christmas party season from Wednesday 11 November: 14 working days)

30+ guests: 14 working days before arrival

Late cancellations or a reduced number of guests will be charged 500,- per person.

PAYMENT

For groups of 8 or more, we ask for a single payment on site. Invoicing is offered only in exceptional cases, and then only for larger parties.

The minimum amount is NOK 10 000, and a credit check and approved invoice agreement for your party must be in place no later than 7 working days before arrival.

CARD GUARANTEE FOR LARGER PARTIES

For parties of 30 guests or more, we will send you a simple card guarantee link to confirm your table reservation. Please complete it within three working days of receiving it – then the table is yours.

If the card guarantee is not completed by the deadline, the booking is cancelled automatically and the table will unfortunately go to other guests.

You will of course not be charged unless the table is cancelled after the cancellation deadline. Card details are handled securely by “Stripe” and are never shared with the restaurant (read more at stripe.com/en-no).

CHAMBRE SÉPARÉE

Only at Yokoso Aker Brygge: a fully private chambre séparée seating up to 14 guests.

It strikes a lovely balance between privacy and the restaurant's lively atmosphere, but please note that it is not fully soundproof.
